

# PROTECT YOURSELF & YOUR FAMILY WHILE TRAVELING

*Before you travel this summer, make sure your Will and Trust documents are in place. The Salvation Army now offers discounts with Trust & Wills, Inc. to assist you with your plans.*

While nobody likes to think about the possibility of having an emergency while away, you should review these documents before you start your summer travels:

- **A Will.** Directs who you would like to inherit your property and assets or provide guardianship for your minor children, ensuring that your family, friends and favorite causes receive the consideration you intend.
- **A Revocable Living Trust.** This simple plan protects your family from the emotional stress of going through probate to receive their inheritance. It is easy and can be changed during your lifetime.
- **A Power of Attorney for Health Care Decisions.** If you become incapacitated while traveling, you will want medical decisions to be made by someone you trust. This document gives one or more individuals the power to act on your behalf in deciding your care.
