ENDOWING MY LIFETIME GIVING?

Your generosity has touched the lives of countless people. But what happens after your lifetime? Will the programs you've supported continue to change lives?

YES! by Endowing Your Future Giving.

What is an Endowment?

An endowment is a gift that is placed into a special account that distributes a set dollar amount each year FOREVER. You can even create a Named Endowment in memory or in honor of someone special.

Creating an Endowment with Cash

Sally gives \$1,000 annually to send disadvantaged children to camp. What happens to those children after Sally's lifetime? Sally makes a \$20,000 gift to create an endowment fund. The \$20,000 earns and distributes \$1,000 a year (5%) to send children to summer camp. This gift will honor Sally's compassion and will continue helping children FOREVER.

Named Endowment using a DAF or IRA

You can create a Named Endowment in honor of your family or in memory of a loved one. These endowments can be created with a grant today from your DAF or your IRA using your QCD. The minimum amount for an Endowment is \$100,000.

In Sally's case, she created a Named Endowment honoring her mother, Jane Smith, who sent her to camp when she was a child. Sally made a \$100,000 gift creating the Jane Smith Endowment for Summer Camp. This generous gift will honor her mother by distributing \$5,000 a year to Summer Camp in perpetuity.

Named Endowment using a Will

You can also create a Named Endowment after your lifetime using language in your Will, Living Trust, or by a Beneficiary Designation on an account.

Please contact us for specific language on creating your Memorial Endowment.

Will Planning Services

The Salvation Army has several trusted vendors that offer free Wills, and low cost Living Trust drafting.

If you haven't made your plan yet, please scan the QR below to access these Will Planning Services.
